Como distinto jurado e presidente da Associação Internacional de Fotógrafos de Arte (IAAP), é com grande prazer que estendo meus sinceros elogios aos organizadores, artistas e juízes do 1st Brazilian Circuit of Art Photography.

A magnitude deste evento foi de tirar o fôlego, com impressionantes 4500 fotografias de 453 artistas brilhantes de 59 países. A qualidade e a criatividade em exibição foram nada menos que inspiradoras, deixando os juízes com a tarefa hercúlea de selecionar os vencedores de um campo tão prestigiado e competitivo.

No entanto, os juízes demonstraram profissionalismo e discernimento consumados, envolvendo-se em extensas deliberações para chegar às suas decisões. Os prêmios são um testemunho de arte excepcional e do nível de excelência alcançado por todos os vencedores.

Como presidente da IAAP, estou profundamente impressionado com a dedicação e o trabalho árduo dos organizadores deste evento. Sua visão, criatividade e atenção aos detalhes foram

incomparáveis, resultando em uma experiência verdadeiramente notável e inesquecível para todos os envolvidos. Estou imensamente orgulhoso do papel que o organizador desempenhou na promoção do crescimento e reconhecimento da fotografia artística como um meio dinâmico e vital. À luz do sucesso retumbante deste evento, apoio de todo o coração a noção de que o 1st Brazilian Circuit of Art Photography se torne uma celebração anual do rico e diversificado mundo da fotografia.

Para encerrar, eu estendo meus mais profundos parabéns e sincera admiração a todos os envolvidos neste evento fenomenal. Vocês verdadeiramente subiram o sarrafo na arte fotográfica, e eu espero testemunhar o crescimento e sucesso contínuos deste circuito nos próximos anos.

The quality and creativity on display were nothing short of awe-inspiring, leaving the judges with the Herculean task of selecting the winners from such a prestigious and competitive field.

Nevertheless, the judges demonstrated consummate professionalism and discernment, engaging in extensive deliberations to reach their decisions. The awards are testament of exceptional artistry and the level of excellence achieved by all winners.

As the president of the IAAP, I am profoundly impressed with the dedication and hard work of the organizers of this event. Their vision, creativity, and attention to detail were unparalleled, resulting in

O Brasil respira fotografia

Para quem não conhece, o Brasil é definitivamente uma nação que merece ser visitada. Somos um país continental, com uma natureza ímpar e exuberante; um povo com muitas caras e tradições, personalidades e multicultural.

Nosso país é acolhedor, bonito demais e tem vocação para fazer amigos e belíssimas imagens. Neste cenário, a fotografia prospera, cresce em todas as suas vertentes e encanta como uma das artes que mais representa nosso país.

O Brasil é terra de grandes fotógrafos e o fotoclubismo nos revelou nomes que são alicerces venerados em nossa arte. A Confederação Brasileira de Fotografia (CONFOTO) surgiu há 65 anos com objetivo de reunir os fotoclubes em torno de Salões, Concursos e Bienais.

Atualmente, temos mais de 30 clubes associados e dezenas de coletivos fotográficos que reúnem aqueles que cultuam a fotografia como forma de expressão artística. A CONFOTO é a conexão direta entre os fotoclubes brasileiros e com seus pares na América, Europa e Ásia.

Diante de um enorme legado, faltava algo para a fotografia brasileira. Hoje superado! A realização do 1º Circuito Internacional de Fotografia Brasileira, que aqui se apresenta, vem coroar toda nossa história e colocar o fotoclubismo brasileiro, ombro a ombro, com os expoentes internacionais.

Sinto-me honrado e muito feliz ao escrever estas palavras, representando nossa Confederação no catálogo oficial, entre centenas de imagens incríveis. Os cinco fotoclubes organizadores merecem nosso respeito, por enfrentar este desafio, e o nosso agradecimento por proporcionar tal evento. A partir deste circuito internacional, um novo capítulo do fotoclubismo brasileiro começa a ser escrito, por muitas mãos e em muitas línguas.

Parabéns aos organizadores, aos exímios jurados e aos brilhantes fotógrafos de todo o planeta. Viva a Fotografia!

Carlos Gandara

Presidente da Confederação Brasileira de Fotografia - CONFOTO

Brazil breathes photography

For those who do not know, Brazil is definitely a nation that deserves to be visited. We are a continental country, with a unique and exuberant nature; a people with many faces and traditions, personalities and multicultural.

Our country is welcoming, too beautiful and has a vocation to make friends and beautiful images. In this scenario, photography thrives, grows in all its aspects and enchants as one of the arts that most represents our country.

Brazil is a land of great photographers and photoclubism has revealed to us names that are venerated foundations in our art. The Brazilian Confederation of Photography (CONFOTO) emerged 65 years ago with the objective of bringing together photo clubs around Salons, Contests and Biennials.

Currently, we have more than 30 associated clubs and dozens of photographic collectives that bring together those who worship photography as a form of artistic expression. CONFOTO is the direct connection between Brazilian photo clubs and their peers in America, Europe and Asia.

Faced with a huge legacy, something was missing for Brazilian photography. Today overcome! The realization of the 1º International Circuit of Brazilian Photography, which is presented here, crowns our entire history and puts Brazilian photoclubism, shoulder to shoulder, with the international exponents.

I am honored and very happy to write these words, representing our Confederation in the official catalog, among hundreds of incredible images. The five organizing photo clubs deserve our respect, for facing this challenge, and our thanks for providing such an event. From this international circuit, a new chapter of Brazilian photoclubism begins to be written, by many hands and in many languages.

Congratulations to the organizers, the expert jurors and the brilliant photographers from all over the planet. Long live Photography!

Carlos Gandara

President of the Brazilian Confederation of Photography - CONFOTO

Fundado em 1939, por trinta e dois pioneiros da fotografia artística brasileira, no edifício Martinelli, o primeiro arranha céu em São Paulo. Nosso fotoclube é um dos mais antigos em atividades contínuas no país e representou o Brasil na FIAP por vários anos. Como membro fundador da Confederação Brasileira de Fotografia - CONFOTO, teve Eduardo Salvatore como Presidente por 40 anos, em paralelo à presidência do Bandeirante (FCCB). Foi também membro da PSA e atualmente é associado à Rede de Produtores Culturais do Brasil.

Entre as décadas de 40 a 60, período conhecido como "Escola Paulista de Fotografia", nomes importantes da fotografia moderna brasileira estavam entre os associados do Bandeirante, entre eles Gaspar Gasparian, Geraldo de Barros, José Yalenti, Madalena Schwartz e outros. Suas obras fazem parte de acervos importantes em museus como o MoMa, em NY, e o MASP, em São Paulo; além de diversas publicações no Brasil e exterior sobre o legado do Bandeirante para o fotoclubismo brasileiro.

Em 1942, o FCCB organiza o "1º Salão Paulista de Arte Fotográfica", com expressiva participação nacional. Na segunda edição tivemos inscrições

de clubes da Argentina e Uruguai e, a partir da 3ª edição, o salão passa a ser internacional com oito países presentes, entre eles os Estados Unidos e Inglaterra. O prestigiado salão aconteceu por 40 edições, sendo que a última foi em 1989.

Por diversos anos, a diretoria do FCCB reuniu informações sobre esses salões, com a ideia em retomar o prestigiado evento e, com a criação do "Circuito Brasileiro", finalmente nosso sonho se concretiza. Após 33 anos, estamos orgulhosos em apresentar o 41º Salão Internacional de Arte Fotográfica de São Paulo, como parte do 1st Brazilian International Photography Circuit.

Aproveito para parabenizar a comissão organizadora, bem como o ótimo ambiente profissional e de amizade que permeou todo o processo de concepção do Circuito Brasileiro. Deixo um agradecimento especial aos jurados que tiveram a difícil missão em escolher as premiadas e aos fotógrafos com suas excelentes imagens.

José Luiz Pedro

Presidente Foto Cine Clube Bandeirante
Chairman - 41º Salão Internacional de Arte
Fotográfica de São Paulo

Founded in 1939, by thirty-two pioneers of Brazilian artistic photography, at the Edifício Martinelli (Martinelli Building), the first skyscraper in São Paulo. Our photo club is one the oldest ones in continuous activity in the country and represented Brazil at the FIAP for several years. As a founding member club of Confederação Brasileira de Fotografia - CONFOTO, it had Eduardo Salvatore as a President for 40 years, alongside the presidency of Bandeirante (FCCB). It was also a member of PSA and is currently associated to Rede de Produtores Culturais do Brasil.

Between the decades of 40's and 60's, a period known as "Escola Paulista de Fotografia", important names of Brazilian modern photography were among the associate members of Bandeirante, including Gaspar Gasparian, Geraldo de Barros, José Yalenti, Madalena Schwartz and others. Their artistic work are part of important collections in museums such as MoMa, in New York; and MASP, in São Paulo; in addition to many publications in Brazil and foreign countries about the legacy of Bandeirante to the Brazilian photo club history.

In 1942, the FCCB organized the "1º Salão Paulista de Arte Fotográfica", with remarkable domestic participation. In its second edition, we had

subscriptions from Argentinean and Uruguayan photo clubs and, from the third edition on, the salon became international, with eight countries participating, including the USA and England. The distinguished salon took place for 40 editions, being the last one in 1989.

For several years, the board of FCCB gathered information about these salons, with the aim of resuming the prestigious event and, with the creation of the "Circuito Brasileiro", our dream is finally materialized. After 33 years, we are proud to present the "41º Salão Internacional de Arte Fotográfica de São Paulo", as part of the "1st Brazilian International Photography Circuit".

I take advantage of this opportunity to congratulate the organizers, as well as the great professional environment that prevailed throughout the conception process of the "Circuit Brasileiro". Special congratulations to the jury members, who had the challenging mission of choosing the awarded images, and the photographers and their excellent photographs.

26th INTERNATIONAL SALON OF PHOTOGRAPHY ART OF AMPARO

Criado em 31 de agosto de 1952, com a determinação de seu idealizador, Antônio de Oliveira Nóbrega e apoio dos membros fundadores, suas fotografias estiveram presente em inúmeros salões no Brasil, México, Argentina, Chile e em diversos países europeus e asiáticos. Hoje, felizmente temos dezenas dessas imagens em nosso acervo. Nomes consagrados como José Yalenti, Francisco Aszmann, o argentino Pedro Otero e seu ex-presidente, o renomado fotojornalista brasileiro Sérgio Jorge, vencedor do primeiro Prêmio Esso, em 1960, estiveram entre os sócios honorários.

A partir de 1986, o espaço permaneceu inerte e encerrou suas atividades oficiais. Em 2017, um grupo de pessoas deu nova vida ao fotoclube, com a missão de reunir entusiastas da fotografia. Com sede própria, o espaço possui auditório, salão multiuso para exposições e eventos, além de biblioteca com livros de fotografia, cinema e artes em geral. Realizamos exposições e oficinas de fotografia, mostras de filmes nacionais e palestras de diversos assuntos.

Com um dos organizadores, fiquei honrado com a missão em editar este catálogo. Confesso que foi um trabalho difícil que exigiu atenção, paciência e tempo, devido sua complexidade de paginação, quantidade de imagens e sessões, ajuste de fontes, títulos, entre outros detalhes. Simultaneamente, foi prazeroso ao contemplar com exclusividade, centenas de fotografias criativas e singulares de localidades que nunca imaginei.

Estou feliz em retomar nosso 26th International Salon of Photographic Art of Amparo, como parte do 1st Brazilian International Photography Circuit, colocando nosso fotoclube novamente na rota dos grandes eventos. Parabenizo a organização impecável, aos nossos jurados extraordinários e todos aqueles envolvidos nessa primeira edição de sucesso. Parabéns especial aos fotógrafos do globo com suas imagens incríveis. Vocês são as estrelas do nosso circuito!

Reginaldo Leme

Presidente do Cine Foto Clube Amparo
Chairman - 26º Salão Internacional de Arte
Fotográfica de Amparo

Founded on August 31st, 1952, with the determination of its idealizer, Antônio de Oliveira Nóbrega, and support from its founding members, their photos were present in numerous salons in Brazil, Mexico, Argentina, Chile and in diverse European and Asian countries. Fortunately, we currently have dozens of these images in our collection. Respected names such as José Yalenti, Francisco Aszmann, the Argentine Pedro Otero, and its former president, the renowned Brazilian photojournalist Sérgio Jorge, winner of the first “Prêmio Esso”, in 1960, were among the honorary associate members.

From 1986 on, the photo club’s building kept inactive and ended its official activities. In 2017, a group of people restored the club’s life, with the goal of gathering photography enthusiasts. With its own building, the space holds an auditorium, a hall for exhibitions and events, besides a library with books about photography, cinema and arts in general. We host photography exhibitions and workshops, Brazilian movies exhibitions and lectures of diverse topics.

Being one of the organizers, I was honored to have the mission of editing this catalog. I confess that it was a difficult work, which demanded attention, patience and time, due to its complex organization of pages, quantity of images and sections, adjustment of fonts, titles, among other details. Simultaneously, it was pleasurable to observe, exclusively, hundreds of creative and singular photographs from locations I had never thought of.

I am happy to resume our “26th International Salon of Photographic Art of Amparo”, as part of the “1st Brazilian International Photography Circuit”, placing again our photo club in the circuit of the greatest events. I congratulate the flawless organization, our remarkable jury members and everyone involved with its successful first edition. Special congratulations to all photographers around the globe with their incredible images. You are the stars of our Circuit!

"Fiquei muito impressionado com os resultados das fotos de todos os participantes que tornam o julgamento desta vez bastante difícil de determinar. As fotos selecionadas são extraordinárias, e cada jurado teve argumentos para determinar o trabalho vencedor.

Parabéns aos vencedores e aos que não conseguiram, continuem em frente. Deus os abençoe! Também uma organização incrível nos bastidores, considerando que cinco fotoclubes diferentes estavam envolvidos ao mesmo tempo! Trabalho difícil! Ótimo trabalho em equipe!"

"I was very impressed with the results of the photos from all the participants whose make the judging this time rather difficult to determine. The photos from the selected participants were extraordinary, and each judge had arguments to determine the winning work.

Congratulations to the winners and for those who have not made it, keep moving forward. God bless you. Also, amazing organization behind the scenes, considering five different photo clubs were involved at the same time! Tough job! Great team work!"

“O Primeiro Circuito Internacional Fotográfico Brasileiro contou com jurados de diferentes culturas, vivências, continentes e países como Irã, Macedônia, Indonésia, Brasil, Suécia, Sérvia e Argentina. Todos eles, atuantes e divulgadores da arte fotográfica, contribuíram de forma irretocável para que os participantes pudessem contar com uma avaliação de grande amplitude, dentro de cada categoria analisada.

A plataforma e o método utilizado foram elogiados pelos juízes, que tiveram muito trabalho para selecionar as melhores imagens inscritas, vindas de todo o planeta. Os organizadores se sentem honrados e muito satisfeitos com todo o processo seletivo e premiação, pois a diversidade imagética e beleza absoluta das fotografias falam por si.”

“The First Brazilian International Photography Circuit had judges from different cultures, experiences, continents, and countries such as Iran, Macedonia, Indonesia, Brazil, Sweden, Serbia, and Argentina. All of them active and promoters of photographic art, contributed impeccably so that participants could have a broad evaluation within each analyzed category.

The platform and the method used were praised by the judges, who had a lot of work selecting the best images submitted from all over the planet. The organizers feel honored and very satisfied with the entire selection process and award, as the image diversity and absolute beauty of the photographs speak for themselves”

“Você não tira uma fotografia,
você cria uma fotografia”

“Com esta frase de Ansel Adams, inicio meus
agradecimentos pela participação como
jurada neste Primeiro Circuito Brasileiro
Internacional de Fotografia.

A fotografia é apaixonante, e minha
participação como jurada deste circuito,
me deixou ainda mais apaixonada por esta
arte. Foram milhares de imagens lindas,
emocionantes, com muito conteúdo e
sensibilidade. Cada fotografia escolhida
enche nossos olhos e nossa alma por estar
no caminho certo, junto aos outros jurados,
mas também dá aquele aperto no coração em
não poder escolher todas. Agradeço a todos
os envolvidos pelo convite e parabenizo
os fotógrafos participantes pelas incríveis
imagens de altíssimo nível. Um sucesso!”

“You don’t take a photograph,
you create a photograph”

“With this sentence from Ansel Adams, I begin
my acknowledgement for the participation as a
jury member in the First Brazilian International
Photography Circuit.

The art of photography is fascinating, and my
participation as a jury member of the circuit
has made me event more fascinated by this
art. There were thousands of wonderful and
thrilling images, with plenty of content and
feeling. Each chosen photograph delights our
eyes and souls for being in the right path,
among the other jury members, but there is also
that heartbreaking feeling for not being able
to choose all of the images. I thank everyone
involved in the invitation and praise all the
photographers for the amazing and high-level
images. A great success!”

CANDANGO

f o t o c l u b e

1st INTERNATIONAL SALON OF PHOTOGRAPHY ART OF
BRASÍLIA

O Candango Fotoclube é uma associação de fotógrafos de Brasília (DF), fundada em 19 de outubro de 2006, com o objetivo de difundir a arte fotográfica e apoiar seu crescimento entre os seus associados e comunidade em geral, promovendo a integração e a participação de todos.

Afilado à Confederação Brasileira de Fotografia – CONFOTO e à Rede de Produtores de Cultura no Brasil (REDE – RPCFB), o fotoclube nasceu da amizade de quatro fotógrafos brasilienses persistentes e idealizadores. Seu nome “Candango” é uma homenagem aos operários vindos de outras regiões do país que ajudaram a construir Brasília: uma cidade pioneira, moderna, planejada pelo grande arquiteto Oscar Niemeyer e totalmente organizada para ser a capital federal e o coração do Brasil.

Produzir o Primeiro Salão Fotográfico do Candango, dentro do 1st Brazilian International Photography Circuit, foi uma honra que cresce

ao ser constatado que dentre os 453 fotógrafos aceitos, 256 são brasileiros. Brasília está muito feliz com esse resultado tão expressivo. Ser brasileiro é acreditar, ser destemido, ser ousado, ser criativo e percebemos isso com tantas imagens premiadas nesse Primeiro Circuito.

Dessa forma, o Candango parabeniza e agradece o trabalho de todos os envolvidos, principalmente aos jurados do Salão de Brasília Zoran Dordevic (EFIAP), Sérvia; Silvia Alcantara, Suécia; e Rinaldo Morelli e Vânia Jucá, do Brasil. Por fim, parabenizo todos os participantes e os colegas dos fotoclubes organizadores do Circuito.

João Rios Mendes

Presidente do Candango Fotoclube
Chairman 1º Salão Internacional de Arte
Fotográfica de Brasília

The Candango Fotoclube is an association of photographers from Brasília (Federal District), founded on October 19th, 2006, with the aim of spreading the photographic art and supporting its development among its associates and the community in general, promoting integration and participation to everyone.

Affiliated to Confederação Brasileira de Fotografia – CONFOTO and to Rede de Produtores de Cultura no Brasil (REDE - RPCFB), the photo club emerged from the friendship of four persistent and idealist photographers from Brasília. Its name “Candango” is a tribute to the workers who came from other areas of the country and helped build Brasília: a pioneer and modern city, planned by the great architect Oscar Niemeyer and fully organized to be the capital and heart of Brazil.

Producing the first “Salão Fotográfico do Candango”, as part of the “1st Brazilian International

Photography Circuit”, was an honor that gets even bigger when it is observed that, among the 453 accepted photographers, 256 are Brazilians. Brasília is so happy with such significant result. Being Brazilian is to believe, to be dauntless, daring, creative and we can assure that with so many awarded images in this Circuit.

Thus, Candango Fotoclube congratulates and thanks the hard work of everyone involved, specially the jury members of “Salão de Brasília” Zoran Dordevic (EFIAP), Serbia; Silvia Alcantara, Sweden; and Rinaldo Morelli and Vânia Jucá, from Brazil. Lastly, I congratulate all the participants and the colleagues from the organizing photo clubs of the Circuit.

"As one of the jury members, I would like to share my experience about such important event for the photography. The judging process was thorough, taking into account technical, artistic and creative aspects of the received images. I have analyzed and graded each photo, some hard work that lasted several days until its conclusion, work also done by all jury members. Next, I have reviewed my choices and made some necessary corrections.

In a second round, the jury members of each salon met "online" to discuss and reach an agreement about the images that would receive awards. It was a unique opportunity to share ideas and impressions, with colleagues from different countries and cultures, enriching the debate and the learning process. It was an honor and a challenge to take part in this contest that

gathered almost five thousand images from 59 different countries, showing the diversity and the beauty of the photographic art around the world. I was really pleased with the result!

I thank the invitation and congratulate the organizers on the success of the event, which surely contributed to spread and value the Brazilian photography in the world circuit. I hope this is the first of many international circuits and it serves as a motivation and inspiration to all Brazilian photographers to keep shooting wonderful images. Congratulations to all the participants who sent their photos, showing their talent and passion for photography."

"Sou amante da fotografia e estou lisonjeada por integrar o Comitê de Organização do 1st Brazilian International Photography Circuit, missão designada a mim em agosto de 2022. Como todo algo grandioso, foi difícil no início e conosco não foi diferente. Foram diversas reuniões harmoniosas e alegres, todos empenhados em dar o melhor de si, festejando cada avanço e cada nova descoberta. Foi perfeito!

O convite veio através de dois amigos de fotoclubes experientes na realização de salões fotográficos: José Luiz Pedro, do Foto Cine Clube Bandeirante e Elza Rossato, do Grupo Amigos da Fotografia de Ribeirão Preto. Detalhe essencial para tudo dar certo! Em seguida, passaram a integrar nosso time o Cine Foto Clube de Amparo, através de seu presidente Reginaldo Leme; e o Foto Clube Rio Preto e Branco, com Paulo Berton e José Henrique Chaim. O trabalho em conjunto nos ajudou a conseguir o apoio dos organismos da CONFOTO, IAAP e da FIAP, que tanto precisávamos.

Minha participação foi singela. Entretanto, estive presente em todas as ações, contribuindo com ideias, bom senso e preparada para qualquer necessidade do comitê. Através deste projeto maravilhoso, conheci novos parceiros de trabalho, amigos que levarei para a vida toda. Para finalizar, agradeço aos vinte amigos jurados que aceitaram o convite para avaliar todas as imagens recebidas; aos tradutores Ana Tonidandel e Fábio Gallo, que encurtaram as barreiras de idiomas; e aos organizadores e presidentes dos fotoclubes que acreditaram em nós."

International Photography Circuit

"I am photography lover and flattered to be part of the Organizing Committee of the 1st Brazilian International Photography Circuit, a mission I was appointed to in August, 2022. Like any great event, the beginning was difficult and with us it was not any different. There were many harmonious and joyful meetings, all of us committed to give our best, celebrating each progress and each new discovery. It was perfect!

The invitation came from two friends from photo clubs which have experience in organizing photo salons: José Luiz Pedro, from Foto Cine Clube Bandeirante; and Elza Rossato, from Grupo Amigos da Fotografia de Ribeirão Preto. An essential detail to make everything work well! Afterwards, our team was composed by Cine Foto Clube de Amparo, with its president Reginaldo Leme; and Foto Clube Rio Preto e Branco, with Paulo Berton e José Henrique Chaim. The team work helped us get support from organizations that we greatly needed, such as CONFOTO, IAAP and FIAP

My participation was humble. However, I was present during all actions, contributing with ideas, common sense and prepared for any necessities from the committee. Through this wonderful project, I met new work partners, friends I will have for my whole life. To conclude, I thank the twenty jury members that accepted the invitation to assess all the subscribed images; the translators Ana Tonidandel and Fábio Gallo, who shortened the language barriers; and the organizers and presidents of the photo clubs who believed in us."

"Diante de uma coleção de fotos magníficas que representam o olhar pessoal de cada fotógrafo, ter que escolher as "melhores" é sempre uma tarefa muito difícil para um jurado, que deve usar como parâmetro o bom senso, o conhecimento técnico, a imparcialidade e o olhar apurado. Foi exatamente o que aconteceu no Circuito de Rio Preto: fotos magníficas avaliadas por jurados profundamente engajados e aptos para a tarefa."

“Facing a collection of magnificent photos that represent the personal eyes of each photographer, having to choose “the best ones” is always a quite difficult task for a juror, who needs to use common sense, technical knowledge, impartiality and accurate eyes as standards. It was exactly what happened in “Circuit de Rio Preto”: superb photos evaluated by extremely committed and capable juror for the task.”

RIO PRETO E BRANCO

1st INTERNATIONAL SALON OF PHOTOGRAPHY ART OF **SÃO JOSÉ DO RIO PRETO**

O Fotoclube Rio Preto e Branco foi fundado em 14 de abril de 2008, por Sylvia Nogueira Cury (presidente), Jorge Thomé (Tesoureiro), Toninho Cury (Diretor de Fotografia) e Tufik Bauab. Durante esses anos, organizamos diversas exposições fotográficas e, em seguida, passamos a participar ativamente dos concursos nacionais e internacionais, obtendo inúmeras premiações.

No ano de 2012, trouxemos para Rio Preto a Bienal Nacional de Arte Fotográfica Preto e Branco pela primeira vez e, em 2017, realizamos a Bienal de Arte Fotográfica Brasileira em Cores. Agora, em 2023, ao completar 15 anos, estamos muito felizes em realizar o 1º Salão Internacional de Arte Fotográfica de São José do Rio Preto.

A convite da querida amiga Elza Rossato, presidente do Grupo Amigos da Fotografia de Ribeirão Preto, aceitamos participando do 1st Brazilian International Photography Circuit. Sem dúvida, um projeto audacioso e enorme para todos nós, exigindo união e alinhamento entre os cinco foto clubes participantes, de cidades distintas. Vários foram os desafios, todos superados ao longo do caminho, devido a união e perseverança de todos.

Para nós, é uma satisfação enorme em participar de algo grandioso e inovador. Afinal, é a primeira vez que realizamos um circuito internacional em nosso país. A diversidade dos fotógrafos inscritos, a qualidade e criatividade das imagens recebidas, que acompanhamos através dos julgamentos, foram imensamente gratificantes! Foram quase 5.000 fotos inscritas; mais de 450 participantes aceitos de 59 países; 15 jurados entre brasileiros e estrangeiros; 1 catálogo completo com todos os salões.

Agradeço imensamente a José Henrique Chaim pelo companheirismo e trabalho, a Sylvia Cury, pela elaboração dos certificados da CONFOTO em nosso Circuito, Suzi Maria Castilho Ruiz e nossos associados.

Paulo Cesar Berton Custodio
Presidente do Fotoclube Rio Preto e Branco
Chairman 1º Salão Internacional de Arte
Fotográfica de São José do Rio Preto

The Fotoclube Rio Preto e Branco was founded on April 14th, 2008, by Sylvia Nogueira Cury (President), Jorge Thomé (Treasurer), Toninho Cury (Director of Photography) e Tufik Bauab. During the last years, we have organized many photography exhibitions and, later on, we have gone into participating in national and international contests, obtaining numerous awards.

In 2012, we brought for the first to Rio Preto the “Bienal Nacional de Arte Fotográfica Preto e Branco” and, in 2017, we organized the “Bienal de Arte Fotográfica Brasileira em Cores”. Now, in 2023, about to complete 15 years of existence, we are very happy to host the “1º Salão Internacional de Arte Fotográfica de São José do Rio Preto”.

Invited by our dear friend Elza Rossato, president of Grupo Amigos da Fotografia de Ribeirão Preto, we accepted to participate in the “1st Brazilian International Photography Circuit”. Undoubtedly, an audacious and huge project for all of us, demanding unity and alignment among the five photo clubs taking part in the organization, from different cities. There

were many challenges along the way, all of them overcome due to the unity and perseverance.

For us, it is a huge satisfaction to participate in something magnificent and innovative. After all, it is the first time we organize an international circuit in our country. The diversity of the subscribed photographers, the quality and creativity of the submitted images, which we followed through the judging process, were hugely gratifying! There were almost 5.000 photos submitted; more than 450 accepted participants from 59 countries; 15 jury members among Brazilians and foreigners; 1 entire catalog featuring all the salons.

Huge thanks to José Henrique Chaim, for the partnership and hard work; to Sylvia Cury, for the elaboration of CONFOTO certificates in our Circuit; Suzi Maria Castilho Ruiz and our associate members.

"Expresso a minha mais sincera gratidão pela oportunidade de ter participado como jurada nesse evento tão importante que foi o Brazilian Circuit. Foi uma experiência enriquecedora, na qual tive a chance de apreciar o trabalho de muitos fotógrafos talentosos e criativos.

Agradeço pela confiança depositada em mim para ajudar a selecionar as melhores fotos do concurso. Foi uma tarefa difícil, mas ao mesmo tempo muito gratificante, pois pude observar de perto a dedicação e a paixão que os participantes têm pela arte da fotografia.

Além disso, gostaria de mencionar que muitas das fotografias submetidas ao concurso me fizeram viajar por diferentes espaços e lugares oníricos, despertando em mim diversas emoções e sentimentos. Foi fascinante observar como os fotógrafos conseguiram capturar momentos únicos e transformá-los em imagens tão poderosas. Foi uma tarefa difícil selecionar algumas dentre tantas outras que também mereciam um prêmio.

Confesso que em várias ocasiões me peguei desejando ter sido eu a autora de algumas das fotografias que avalei. Foi inspirador ver a criatividade e a originalidade que muitos participantes demonstraram em suas obras.

Por isso, mais uma vez, agradeço por ter tido a oportunidade de fazer parte desse processo de seleção. Foi uma experiência inesquecível que certamente levarei comigo ao longo da minha jornada como jurada e amante da arte da fotografia."

"Uma boa fotografia é aquela que comunica um fato, toca o coração e deixa o espectador mudado de alguma forma." - Irving Penn.

Silvia Alcantara
Jurada (Suécia)

"I express my deepest gratitude for the opportunity of participating as a jury member in such an important event, which was the Brazilian Circuit. It was a rewarding experience, in which I had the chance to appreciate the work of many talented and creative photographers.

I thank for the trust placed in me to help select the best photos of the contest. It was hard work, but at the same time extremely gratifying, because I could watch closely the dedication and the passion that the participants have towards photographic art.

Besides that, I would like to mention that many of the submitted photographs for the contest made me journey to different spaces and dreamy places, awakening several emotions and feelings in me. It was fascinating to observe how the photographers could capture unique moments and turn them into such powerful images. It was a challenging work to select some among many others that also deserved an award.

I admit that, in many occasions, I have desired to be me the author of some of the photos I had to rate. It was inspiring to see the creativity and the peculiarity that several participants showed in their works.

Therefore, once again, I thank for having the opportunity of being part of this judging process. It was an unforgettable experience that I will surely take with me along my journey as a juror and lover of photographic art."

"A good photograph is one that communicates a fact, touches the heart and leaves the viewer a changed person for having seen it." – Irving Penn.

“Um projeto espetacular que junta as pontas, dilui as distâncias, apaga as fronteiras e mistura tudo. O retrato me olha, a paisagem convida, a fotografia abstrata instiga e os personagens me chamam para passear por muitos lugares desconhecidos que não sei onde ficam. Uma réstia de luz escorrendo, sombras acreditam ser formas, cores orgulhosas ostentam brilhos, mas também se escondem em tons pastéis ao propor mistérios.

Tudo fascina e encanta, e ao focar minha atenção em todas estas imagens algumas perguntas enlouquecem meus pensamentos: que nota merece? Qual a mais bela? Qual fotografia conversa comigo? Como ser justo sem ter a oportunidade de explicar os critérios para cada nota, de cada escolha? Porém eu não estava só; em uma Live com outros jurados surgiu um

consenso harmônico. Construímos o leque de premiados, medalhas e menções honrosas. Talvez uma ou outra pérola tenha nos escapado, mas eram muitas pérolas para poucos prêmios: uma missão bem desafiadora.

Fui agraciado com o convite, ou desafio, de ser um dos jurados do “Primeiro Circuito Brasileiro Internacional de Fotografia”, no Salão Fotográfico do Candango Fotoclube – Brasília. Milhares de imagens, centenas de participantes e dezenas de países. Que mundo ainda desconhecido é este? Meu olhar está contaminado por olhares, imagens de lugares, mistérios e formas. Não tem cura. Sigo agradecido e contaminado.”

Rinaldo Morelli
Jurado (Brasil)

“A spectacular project that joins the dots, merges the distances, erases frontiers and mixes everything. The portrait looks at me, the landscape invites, the abstract photography incites and the characters call me to wander around many unknown places that I do not know where they are. A beam of light trickling, shadows believe to be shapes, proud colors boast brightness, but also hide themselves in pastel shades, proposing mysteries.

Everything fascinates and delights and, focusing my attention on all these images, some questions madden my thoughts: Which grade does it deserve? Which is the most beautiful? Which photography speaks to me? How to be fair without having the opportunity to explain the criteria for each grade, each choice? However, I was not alone. In an online meeting with the other jury members, there was a harmonious common ground. We built the range of

awards, medals and honorable mentions. Maybe one or another pearl have been missed, but there were too many pearls for few awards: a very challenging mission.

I was blessed with the invitation, or challenge, to be one of the jury members of the “First Brazilian International Photography Circuit”, at the “Salão Fotográfico do Candango Fotoclube – Brasília”. Thousands of images, hundreds of participants and dozens of countries. Which still unknown world is this one? My eyes are infected by perspectives, images of places, mysteries and shapes. There is no cure. I remain grateful and contaminated.

Participar, como jurado, do Primeiro Circuito Brasileiro do Salão Internacional de Arte Fotográfica de São José do Rio Preto, foi uma honra, uma alegria e uma ótima surpresa. Foram 4467 fotografias enviadas por participantes de 59 países com excelente qualidade.

A escolha das melhores imagens em três categorias foi uma maratona. Mas, uma maratona muito proveitosa. Apreendi muita coisa. Desde perceber o poder da fotografia como forma de expressão cultural e artística em todo o mundo, até conhecer coisas novas e abordagens diferentes.

A organização de um evento com essa complexidade foi também excelente. Tudo funcionou perfeitamente para os jurados. Quero agradecer aos organizadores pelo convite e também aos jurados com que tive o prazer de trabalhar; Anastasia Khan e Ali Samei e meu competente amigo César Mulati do Brasil. Realmente foi um grande sucesso!

Desejo que na próxima oportunidade, o evento seja ainda maior, envolvendo um maior número de colegas fotógrafos do mundo todo. Viva a fotografia!
