Reha BILIR

JUDGE

AFIAP,ESFIAP,Hon.SSS
Turkiye

Born in Beysehir / Turkey, Reha Bilir graduated from Istanbul University's Faculty of Pharmacy and although he is known to be a photographer by profession, he actually works as a free pharmacist.

He participated in various national and international competitions as a photographer. He received two of Turkey's most prestigious photography awards, namely the Şinasi Barutcu Cup in 2008 and the Sami Güner Cup in 2009. Various works of Reha Bilir, which reflect his journey through photography in his own style, have been included in many exhibitions in different countries. Having many of his photography albums exhibited in famous international photography museums, Reha Bilir has also exhibited his photographs and slide shows in various cities in our country.

Not only does Reha Bilir engage in taking photographs but he has also shared his photographs with enthusiasts of photography in different cities in order to act as a guide for those who have just taken up photography, and also who have participated in interviews on the philosophy of photography. His interviews have been published in national and international photography magazines.

In a publication made by Pamukbank entitled "Photography in Turkey", he was referred to as being among the first Turkish Photographers who made changes on photographs in computer environment by virtue of his exhibition "Digital Snapshots".

He has been jury member in more than 90 international photo contests and more than 300 national contests including FIAP World Cup in 2012.

He is the founder of Sille Sanat Sarayı photography organization and president of International Art Photography Association (UFSD). He is the honorary fellowship of clubs and federations in more than 20 countries. He was the DB member of GPU in 2012 – 2016. He is the director of FIAP Exhibition Center in Sille - Konya / Turkey. He is the media coordinator of FIAP Photo Academy.

Vladimir JOVANOVSKI

JUDGE

M NPUM; MPSA; RISF5; GPU
CR3 Hermes
North Macedonia

Vladimir Jovanovski, MPSA, GPU HERMES, RISF5, was born in 1983. He is a distinguished photographer from Macedonia and the most successful representative of Macedonian photography, having taken part in numerous international exhibitions around the world. He has exhibited his works in 35 countries and as a result, has received over 100 awards and certificates. He was proclaimed by The Photographic Society of Macao as one of the 100 most influential photographers in the world. In 2018, he has received the award for best world photographer from the SSS in Turkey. His biggest successes, according to him, are the projects "The other one hundred" and "On Macedonian photography". He was a member and president of the Photo cinema club "Kozjak" from Kumanovo. Currently he is an active member of Photo club "Kumanovo". He is also the director of "Malinski Photo Festival", an honorary member of Image Sans Frontier, Image Colleague Society and the Photo Club "Kragujevac". He is also a representative of PSA, GPU and ISF for the Republic of Macedonia and the current president of IAAP. When it comes to his photographs, he is not a mere recorder of things. He has a sense of the space around him, feeling the light, the ambient and life. He is constantly in search of all these things, confronting inner feelings, transferring them into his photographs. In the last couple of years, his approach has been more thematic.

Michal NEGA

JUDGE

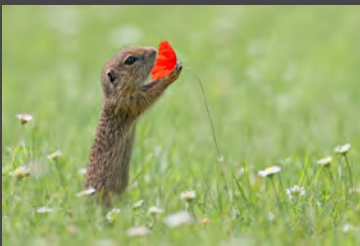

AFIAP, EPSA, GPU: CR-3, VIP-4,
HERMES, M.APS, IIG/s2, A.NPS,
Hon.CPE, SWPU/1
Czech Republic

Since 2021 he has been actively participating in international photography competitions. He is the winner of competitions such as Chromatic Awards, WPE Awards, STF Awards, 1X, The Portrait Masters Awards and others. He has already participated in more than 400 photography competitions in different countries of the world. As a result, he has already won more than 400 international photography awards. His work has already been presented at photo exhibitions several times. He is an active member of FIAP, PSA, GPU, MOL and IAAP.

He considers himself a photography enthusiast. Photography for him is somewhere between a hobby and a passion. He mainly photographs glamor, fashion, portraits, sometimes landscape, reportage, street and sport photo. He loves beauty, emotions and movement, as he tries to capture it in his photographs. He takes pictures both with a digital camera and with an old manual analog.
